"I can't say enough good things about Dee and Luxury Adventures. With only a month to plan, Dee completely understood what type of trip we were hoping to have and she made it all happen seamlessly, from the rental car to the hotels to the tours and just general information and advice about every area we visited. She was even spot on with the restaurant recommendations! It was a very memorable trip and within the budget we gave her. Would use them again and highly recommend!!"

Travelling through New Zealand you'll experience spectacularly beautiful landscapes that range from vast mountain chains, steaming volcanoes & sweeping coastlines to deeply indented fiords and lush rainforests.

Luxury Adventures are specialists in tailored luxury vacations & holidays in New Zealand, Australia & the South Pacific Islands

Comparable in size and/or shape to Great Britain, Colorado and Japan, New Zealand has a population of only 5 million – making it one of the world's least crowded and safest countries to travel to. It's a haven for those seeking peace; rejuvenation and relaxation as well as a playground for thrill seekers and adventurers. A temperate climate with relatively small seasonal variation makes it a year-round holiday destination.

Luxury Adventures combine an extensive repertoire of luxury accommodation and unique experiences to create memorable vacations/holidays that are truly extraordinary. Along the way you'll have the opportunity to meet real kiwi's so you experience the true essence of New Zealand!

New Zealand's vivid colour contrasts and spectacular surroundings are not the only things that make this wonderfully diverse country so special. The friendly down to earth people, and relaxed yet enthusiastic culture all contribute to its overall uniqueness as a travel destination. New Zealand is made up of two main islands; the North & South Islands. The North Island has a more temperate climate and is gentler in form becoming more subtropical at the top of the Island; the South Island, the larger of the two, has its gentle side too, but the more south you go, the wilder it gets until, in its Alpine heights, it becomes a landscape of lush rainforest and steep mountains and glaciers.

Come and experience the variety and true beauty of New Zealand with Luxury Adventures. Be inspired by our sample itineraries then have us create a tailored New Zealand vacation especially for you. We can also include Australia as well as the South Pacific Islands! Simply contact us to start planning your tailored New Zealand vacation now!

Australia

Australia is a country of contrasts and the world's largest island... Due to its size, the Australian climate varies greatly. The northern regions experience summer-like temperatures all year-round, while the southern states experience four seasons. Such variation in climate makes Australia an ideal holiday destination.

Some highlights we can include in your Australian itinerary are:

- Enjoy the wonders of the Great Barrier Reef on the world's largest coral reef in the lap of luxury in a beachfront resort – sailing, diving & snorkelling
- Everyday life will soon be a distant memory as you arrive at a relaxing forest retreat you can unwind in a private outdoor spa set amid a backdrop of native birds and lush greenery, and marvel at the brilliant star-lit sky above.
- Wake up in your own private luxury tent & watch the sunrise over Uluru (Ayers Rock)
- Australia's wine regions are also justifiably world famous.
- Foremost amongst them is South Australia, the largest wine-growing territory in the country.

- Superb golf courses designed to challenge even the best of golfers
- Enjoy fine wine & cuisine – Australia is also a haven for seafood lovers!

The sapphire blue of Tahiti and her Islands. The dazzling white of her coral sands. The brilliant greens of the elegant coconut palms. Blue, white and green; these are the predominant colours of Tahiti and her Islands.

The sapphire blue of Tahiti and her Islands. The dazzling white of her coral sands. The brilliant greens of the elegant coconut palms. Blue, white and green; these are the predominant colours of Tahiti and her Islands. All 118 of these gorgeous Polynesian islands spread across five far-flung archipelagoes. Tahiti and her Islands span four million km of ocean and cover an area as large as Europe. However, the land above sea level only accounts for some 4,000km consisting of 118 islands, grouped into five different archipelagoes: the Marquesas (to the north), the Society Islands and the Tuamotu (in the center), the Austral Islands (to the south) and the Gambiers (to the south-east). Tahiti was declared in 2004 as an "overseas country" attached to France.

The remote geographic location has always been a major attraction for those seeking the exotic and romantic allure of these unspoiled and natural environments. Tahiti is an ideal destination for a relaxing vacation/holiday, honeymoon or a more active vacation. Renowned for scuba diving and snorkelling in crystal clear lagoons where colourful coral and tropical fish abound. Experience a taste of 'chic' French with South Pacific style and charm! Tahiti also offers a range of boutique style island properties and internationally acclaimed hotels and resorts. Whether you want a private island picnic near Bora Bora or a canoe to deliver breakfast in your overwater bungalow, Tahiti is the ultimate South Pacific island paradise.

"I have never used a travel agent before. I had no idea how helpful they can be before, during, and after travel. Dee McKean was amazingly helpful from our first contact to our last. She was delightful with which to work. I took a leap of faith selecting Luxury Adventures and am so very pleased that I did. First, I was overwhelmed with selecting where to go and what to do in New Zealand. Dee sent me many options and I could pick what we enjoy. She selected the pace and balanced it with the desire to see as much as possible. The length of the drive was considered and most stays were at least two nights. Every single detail was tended to and in perfect order. She did not miss a thing...lodging, car rental, flights, ferry tickets, phone numbers for cab drivers, excursions were all excellently planned including maps of where to be at what time. Dee even checked with tour operators to ensure we arrived! Within minutes of a flight cancellation she was assisting me with what to do and helped me think of options and got us a car rental at a time when they appeared to be all out! Thank you Dee and Luxury Adventures you are a very talented individual and top notch organization."
